ITINERARY

Your party lasts for 2 hours from start to finish.

On arrival, you will be met by our Birthday Party host, who will introduce himself and talk you through the room facilities, and advise where to find them if you have any queries.

Once all of the party has arrived, the tour will commence.

Your tour will include:

- Visiting our magnificent King and Gentoo penguins
- Seeing our wonderful Stingrays in action
- Spending time at our Rock Pools where you will be able to touch a starfish and interact with other sea creatures

You will then be taken behind the scenes of the aquarium where you will be able to feed the fish above the Shipwreck Discovery tank!! (please ensure covered footwear such as sneakers are worn).

Your group will then head back to the party room to spend the rest of the child's birthday celebrations.

During this time, your host will be located in the office next door, please feel free to speak with him about any queries you may have.

PAYMENT

Birthday parties at Kelly Tarlton's are pre-payment only. We need your final guest numbers and payment 3 days before the party at the latest. We do not refund for any no shows.

Your party host will be checking the size of your group against your booking. If there are additional guests on the day that need to be paid for, your host will assist you to make the payment. This needs to be done by credit card in a single transaction. It is the birthday party booker's responsibility to collect money from the group – we are not able to accept multiple payments.

We hope you enjoy your party.
