

Shark Cage Assumption of Risk Agreement

In any adventure activity, there is an element of risk involved. In undertaking one of our animal adventures you must be aware that these activities are carried out in an environment that includes numerous fish and sea life and there are risks involved in being in this environment. Snorkelling can be a strenuous activity.

The staff and management of Kelly Tarlton's SEA LIFE Aquarium take all practicable steps to identify and minimise potential dangers.

If you suffer from an existing medical condition PLEASE NOTE:

- some medical conditions may be worse by physical exertion e.g. heart disease, asthma, lung complaints
- Some medical conditions can result in the loss of consciousness if you exert yourself. e.g. epilepsy, diabetes.
- Asthma can be brought on by cold water or salt water mist

PLEASE inform the snorkelling Supervisor or Snorkelling Guide of you have any existing medical condition and any concerns you have.

You agree to release or indemnify Kelly Tarlton's SEA LIFE Aquarium and our staff against any injury and/or liability we incur to anyone else, resulting from your failure to follow our instructions or the failure of any person accompanying you under the age of 18 to follow our instructions.
